

Understanding and Working with Adults with Asperger Syndrome

A full study day
(10am – 4pm)
Please note start time

This course covers an introduction to Asperger Syndrome, the issues for adults with AS, diagnosis and practical strategies for working with this client group among other topics related to the subject. There can be some flexibility around the individual learning requirements of people attending. Information sharing is welcomed. The course will follow the format of lectures with discussion.

Who will run this course?

Andrew Horseman, Specialist Practitioner: Autism Initiatives.

Who is this course for?

NHS and local authority professionals from Edinburgh, Lothian and Borders regions who have a direct involvement with Adults with Asperger Syndrome, including Psychiatrists, Clinical Psychologists, Therapists, Nurses, Social Workers.

Where will it be held?

Number 6 One Stop Shop
24 Hill Street
Edinburgh
EH2 3JZ

Course Dates for 2017 - Tuesdays: 29th August; 12th September; 3rd October; 31st October; 21st November; 5th December.

Contact Number 6 to book a place by emailing your requested date to joanna.dickinson@aiscotland.org.uk.

How much will it cost? This course is free of charge to staff from NHS Lothian and NHS Borders, and local authority staff from Midlothian, East Lothian, West Lothian, Scottish Borders and City of Edinburgh.

Tea/Coffee and lunch is not provided, but these are available at your own expense from the Café on the Corner next door.

There is little parking available nearby, and it is very expensive. However, it is a short walk from Haymarket and Waverley train stations and very close to Princes Street.
