

WANT TO MEET A ROBOT?

Researchers at Heriot-Watt University are looking for people

- aged 18-40 years
- with an autism-spectrum disorder
- with normal to corrected vision

To complete a ~60mins robot study

When?

November 2018 - January 2019

What does it involve?

Participants will complete 2 sessions:

1. IQ assessment (30-40mins)
2. Human-robot interaction (20-30mins)

Where will it take place?

- Session 1 will take place at a location convenient to participants
- Session 2 will take place at Heriot-Watt University

Participants will be rewarded £5 for their assistance and have their travel costs covered by Heriot-Watt University.

How do I sign up?

If you would like to participate, please email Dr Peter McKenna at

p.mckenna@hw.ac.uk

Thank you
